The birth of a new caesarean?

P Popham, MJ Paech

PII: S0959-289X(17)30438-7

DOI: <https://doi.org/10.1016/j.ijoa.2017.11.005>

Reference: YIJOA 2629

To appear in: *International Journal of Obstetric Anesthesia*

Accepted Date: 27 November 2017

Please cite this article as: Popham, P., Paech, M., The birth of a new caesarean?, *International Journal of Obstetric Anesthesia* (2017), doi: <https://doi.org/10.1016/j.ijoa.2017.11.005>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
