**Short Title:** Preoperative skin temperature and hypothermia during cesarean delivery

**Funding:** This research did not receive any specific grant from funding agencies in the public, commercial, or not-for-profit sectors.

**Conflicts of Interest:** None

**Corresponding Author:** Dr. Brendan Carvalho

*E-mail address:* bcarvalho@stanford.edu

The work was presented in part at the Gertie Marx Symposium at the Society for Obstetric Anesthesiology and Perinatology 46th Annual Scientific Meeting, May 2015, Colorado.

**IRB Approval:**

Stanford University Human Subjects Research Institutional Review Board

Contact Name and Number: Tamiko Nava, (650) 723-2012.

Santa Clara Valley Medical Center Research and Human Subjects Review Committee

Contact Person Whitney Touserani (408) 885-3115.
