

## Accepted Manuscript

Case report

Hereditary haemorrhagic telangiectasia in pregnancy: regional and general anaesthesia.

M. Crawford, R. Burns, S. Cooper, T. Mackay

PII: S0959-289X(17)30294-7

DOI: <https://doi.org/10.1016/j.ijoa.2017.11.002>

Reference: YIJOA 2626

To appear in: *International Journal of Obstetric Anesthesia*

Accepted Date: 9 November 2017

Please cite this article as: Crawford, M., Burns, R., Cooper, S., Mackay, T., Hereditary haemorrhagic telangiectasia in pregnancy: regional and general anaesthesia., *International Journal of Obstetric Anesthesia* (2017), doi: <https://doi.org/10.1016/j.ijoa.2017.11.002>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
