This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Total Intravenous vs. Volatile Induction and Maintenance of Anesthesia in Elective Carotid Endarterectomy: Effects on Cerebral Oxygenation and Cognitive Functions

Vsevolod V. Kuzkov*, Maxim Y. Obratsov, Oleg Y. Ivashchenko, Nadezhda Y. Ivashchenko,
Valery M. Gorenkov, Mikhail Y. Kirov

List of authors:

- Vsevolod V. Kuzkov MD, PhD, Associate professor, Department of Anesthesiology and Intensive Care Medicine, Troitsky Prospect 51, 163000 Northern State Medical University, Arkhangelsk, Russian Federation; Department of Anesthesiology and Intensive Care, City Hospital # 1, Suvorova str. 1, 163001 Arkhangelsk, Russian Federation.
- Maxim Y. Obratsov MD, Department of Anesthesiology and Intensive Care, City Hospital # 1, Suvorova str. 1, 163001 Arkhangelsk, Russian Federation.
- Oleg Y. Ivashchenko MD, Department of Anesthesiology and Intensive Care Medicine, Troitsky Prospect 51, 163000 Northern State Medical University, Arkhangelsk, Russian Federation; Department of Anesthesiology and Intensive Care, City Hospital # 1, Suvorova str. 1, 163001 Arkhangelsk, Russian Federation.
- Nadezhda Y. Ivashchenko MD, Department of Anesthesiology and Intensive Care Medicine, Troitsky Prospect 51, 163000 Northern State Medical University, Arkhangelsk, Russian Federation.
- Valery M. Gorenkov MD, Head of the Department of Vascular Surgery, City Hospital # 1, Suvorova str. 1, 163001 Arkhangelsk, Russian Federation.
- Mikhail Y. Kirov MD, PhD, Professor, Head of the Department of Anesthesiology and Intensive Care Medicine, Troitsky Prospect 51, 163000 Northern State Medical University, Arkhangelsk, Russian Federation.
Department of Anesthesiology and Intensive Care, City Hospital # 1, Suvorova str. 1, 163001 Arkhangelsk, Russian Federation.
