This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title page**Title: Multiple-level Thoracic Paravertebral Block Using Ropivacaine****with/without Dexmedetomidine in Video-Assisted Thoracoscopic Surgery****Running title: Dexmedetomidine as adjuvant in Thoracic Paravertebral Block****Jianghui Xu, MD (First author)****Affiliation:** Department of Anesthesiology, Huashan Hospital, Fudan University, Shanghai, P. R. China 200040**Email:** xujianghai_1978@163.com**Role:** Performed experiments and statistic analysis.**Conflicts:** Jianghui Xu reported no conflicts of interest.**Attestation:** Jianghui Xu has seen the original study data, reviewed the analysis of the data, approved the final manuscript, and is the author responsible for archiving the study files.**Xiaoyu Yang, MD****Affiliation:** Department of Anesthesiology, Huashan Hospital, Fudan University, Shanghai, P. R. China 200040**Email:** yangxiaoyu@huashan.org.cn**Role:** Performed experiments.**Conflicts:** Xiaoyu Yang reported no conflicts of interest.**Attestation:** Xiaoyu Yang has seen the original study data, reviewed the analysis of the data, approved the final manuscript, and is the author responsible for archiving the study files.**Xiaobing Hu, MD****Affiliation:** Department of Anesthesiology, Huashan Hospital, Fudan University, Shanghai, P. R. China 200040**Email:** xbhu@163.com**Role:** prepared the drugs.**Conflicts:** Xiaobing Hu reported no conflicts of interest.**Attestation:** Xiaobing Hu has seen the original study data, reviewed the analysis of the data, approved the final manuscript, and is the author responsible for archiving the study files.**Xiaofeng Chen, MD., Ph.D****Affiliation:** Department of Cardiothoracic Surgery, Huashan Hospital, Fudan University, Shanghai, P. R. China 200040**Email:** chenxiaofeng@huashan.org.cn**Role:** Performed surgery and study design.
