

## Accepted Manuscript

Mitochondrial tRNA<sup>Leu</sup>(UUR) C3275T, tRNA<sup>Gln</sup> T4363C and tRNA<sup>Lys</sup> A8343G mutations may be associated with PCOS and metabolic syndrome

Yu Ding, Bo-Hou Xia, Cai-Juan Zhang, Guang-Chao Zhuo

PII: S0378-1119(17)31013-2  
DOI: doi:[10.1016/j.gene.2017.11.049](https://doi.org/10.1016/j.gene.2017.11.049)  
Reference: GENE 42357  
To appear in: *Gene*  
Received date: 12 August 2017  
Revised date: 10 November 2017  
Accepted date: 15 November 2017

Please cite this article as: Yu Ding, Bo-Hou Xia, Cai-Juan Zhang, Guang-Chao Zhuo , Mitochondrial tRNA<sup>Leu</sup>(UUR) C3275T, tRNA<sup>Gln</sup> T4363C and tRNA<sup>Lys</sup> A8343G mutations may be associated with PCOS and metabolic syndrome. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. *Gene*(2017), doi:[10.1016/j.gene.2017.11.049](https://doi.org/10.1016/j.gene.2017.11.049)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Mitochondrial tRNA<sup>Leu(UUR)</sup> C3275T, tRNA<sup>Gln</sup> T4363C and tRNA<sup>Lys</sup> A8343G mutations may be associated with PCOS and metabolic syndrome**
