

## Accepted Manuscript

Modulation of learning and memory by the genetic disruption of circadian oscillator populations

Kaitlin H. Snider, Karl Obrietan

PII: S0031-9384(18)30408-6  
DOI: [doi:10.1016/j.physbeh.2018.06.035](https://doi.org/10.1016/j.physbeh.2018.06.035)  
Reference: PHB 12254  
To appear in: *Physiology & Behavior*  
Received date: 28 March 2018  
Revised date: 3 May 2018  
Accepted date: 22 June 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Modulation of learning and memory by the genetic disruption of circadian oscillator populations
