Roumie, Daniel Muñoz, Niral Patel, Sunil Kripalani, Relation of Perceived Health Competence to Physical Activity in Patients with Coronary Heart Disease, *The American Journal of Cardiology* (2018), <https://doi.org/10.1016/j.amjcard.2018.01.024>.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Relation of Perceived Health Competence to Physical Activity in Patients With Coronary Heart Disease

**Short Title:** Perceived Health Competence is Associated with Physical Activity

**Manuscript #:** AJC-D-17-02893R1

## Authors

Justin M. Bachmann, MD, MPH,<sup>a</sup> Lindsay S. Mayberry, MS, PhD,<sup>b</sup> Kenneth A. Wallston, PhD,<sup>c</sup> Shi Huang, PhD,<sup>d</sup> Christianne L. Rourke, MD, MPH,<sup>b, e</sup> Daniel Muñoz, MD, MPA,<sup>a</sup> Niral Patel, MPH,<sup>b</sup> Sunil Kripalani, MD, MSc<sup>b</sup>

## Affiliations

<sup>a</sup>Division of Cardiovascular Medicine, Department of Medicine, Vanderbilt University Medical Center, Nashville, TN

<sup>b</sup>Department of Medicine, Vanderbilt University Medical Center, Nashville, TN

<sup>c</sup>School of Nursing, Vanderbilt University, Nashville, TN

<sup>d</sup>Department of Biostatistics, Vanderbilt University Medical Center, Nashville, TN
