This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Identification and Ablation of Dormant Conduction in Atrial Fibrillation using Adenosine

Faraz Khan Luni, MD. Cardiovascular Fellow. Department of Cardiovascular diseases.¹

Abdur Rahman Khan, MD. Cardiovascular Fellow. Department of Cardiovascular diseases²

Hemindermeet Singh, MD. Cardiovascular Fellow. Department of Cardiovascular diseases¹

Haris Riaz MD. Internal Medicine Resident. Department of Internal Medicine³

Sonia Ali Malik, MD. Family Medicine Resident. Department of Family Medicine¹

Owais Khawaja, MD. Cardiovascular Fellow. Department of Cardiovascular diseases¹

Talha Farid MD. Cardiovascular Fellow. Department of Cardiovascular diseases²

Jennifer Cummings MD. Associate Professor of Medicine. Department of Cardiovascular
diseases.⁴

Mohammed Taleb. MD. Department of Cardiovascular diseases.¹
