

Accepted Manuscript

The gut microbiome and elevated cardiovascular risk in obesity and autoimmunity

Lora J. Kasselmann, Nicholas A. Vernice, Joshua DeLeon, Allison B. Reiss

PII: S0021-9150(18)30113-8

DOI: [10.1016/j.atherosclerosis.2018.02.036](https://doi.org/10.1016/j.atherosclerosis.2018.02.036)

Reference: ATH 15407

To appear in: *Atherosclerosis*

Received Date: 5 January 2018

Revised Date: 20 February 2018

Accepted Date: 28 February 2018

Please cite this article as: Kasselmann LJ, Vernice NA, DeLeon J, Reiss AB, The gut microbiome and elevated cardiovascular risk in obesity and autoimmunity, *Atherosclerosis* (2018), doi: 10.1016/j.atherosclerosis.2018.02.036.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

The gut microbiome and elevated cardiovascular risk in obesity and autoimmunity
