Is A Little Atrial Fibrillation Still Too Much?

Rod Passman, MD, MSCE, FHRS, FACC

PII: S1547-5271(18)30138-3

DOI: [10.1016/j.hrthm.2018.02.027](https://doi.org/10.1016/j.hrthm.2018.02.027)

Reference: HRTM 7496

To appear in: *Heart Rhythm*

Received Date: 20 February 2018

Please cite this article as: Passman R, Is A Little Atrial Fibrillation Still Too Much?, *Heart Rhythm* (2018), doi: 10.1016/j.hrthm.2018.02.027.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Title: Is A Little Atrial Fibrillation Still Too Much?

Article: Invited review (In response to Manuscript JHRM-D-17-01390R1)

Author: Rod Passman, MD, MSCE, FHRS, FACC

Affiliation: Northwestern University Feinberg School of Medicine; Bluhm Cardiovascular Institute
