This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Electroanatomical high density mapping of different tachycardias in the right atrium after
heart transplantation

Short title: tachycardia mapping after heart transplantation

Alexandra Schratte, M.D.*, Valentina Schirripa, M.D.*, Jędrzej Kosiuk, M.D., Emmanuel
Koutalas, M.D., Gerhard Hindricks, M.D., PhD, FHRS, Andreas Bollmann, M.D., PhD

Affiliation (all authors):

Department of Electrophysiology, Leipzig Heart Center, Leipzig, Germany

Corresponding author:

Alexandra Schratte, M.D., University of Leipzig, Heart Center, Department of
Electrophysiology, Strümpellstrasse 39, 04289 Leipzig, Germany.
