

## Accepted Manuscript

Myocardial repolarization is affected in patients with ascending aortic aneurysm

Mustafa Topuz, Ömer Genç, Armagan Acele, Mevlüt Koc

PII: S0022-0736(18)30102-X

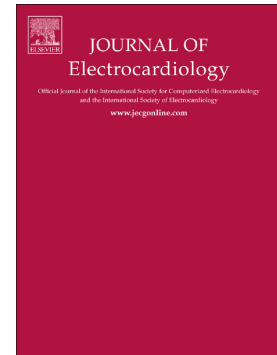

DOI: <https://doi.org/10.1016/j.jelectrocard.2018.02.002>

Reference: YJELC 52570

To appear in:

Please cite this article as: Mustafa Topuz, Ömer Genç, Armagan Acele, Mevlüt Koc , Myocardial repolarization is affected in patients with ascending aortic aneurysm. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Yjelc(2018), <https://doi.org/10.1016/j.jelectrocard.2018.02.002>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Myocardial repolarization is affected in patients with ascending aortic aneurysm**

Mustafa TOPUZ, MD, Ömer Genç, MD, Armagan Acele, MD, Mevlüt Koc, MD

Department of Cardiology, University of Health Sciences, Adana Health Practices and  
Research Center, Adana, Turkey

**Total words:** 2372

**Running head:** Ascending aortic aneurysm and myocardial repolarization

**Key words:** ascending aortic aneurysm, diastolic dysfunction, myocardial repolarization

**Corresponding Author**

**Mustafa TOPUZ, MD**
