“Reconstructive aortic valve surgery in the elderly: Another Example of Better being the Enemy of Good?”

Alan M. Speir, MD, Medical Director

PII: S0022-5223(17)32800-3

DOI: [10.1016/j.jtcvs.2017.12.004](https://doi.org/10.1016/j.jtcvs.2017.12.004)

Reference: YMTC 12324

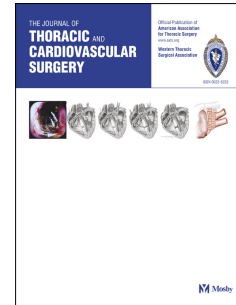

To appear in: *The Journal of Thoracic and Cardiovascular Surgery*

Received Date: 26 November 2017

Accepted Date: 2 December 2017

Please cite this article as: Speir AM, “Reconstructive aortic valve surgery in the elderly: Another Example of Better being the Enemy of Good?”, *The Journal of Thoracic and Cardiovascular Surgery* (2018), doi: 10.1016/j.jtcvs.2017.12.004.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
