Valve Choice: Does Data from the Past Misinform Us as Technology Advances?

Richard J. Shemin, M.D.

PII: S0022-5223(17)32000-7

DOI: [10.1016/j.jtcvs.2017.09.061](https://doi.org/10.1016/j.jtcvs.2017.09.061)

Reference: YMTC 12012

To appear in: *The Journal of Thoracic and Cardiovascular Surgery*

Received Date: 8 September 2017

Accepted Date: 13 September 2017

Please cite this article as: Shemin RJ, Valve Choice: Does Data from the Past Misinform Us as Technology Advances?, *The Journal of Thoracic and Cardiovascular Surgery* (2017), doi: 10.1016/j.jtcvs.2017.09.061.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Valve Choice: Does Data from the Past Misinform Us as Technology Advances?
