Association between habitual coffee consumption and metabolic syndrome in type 1 diabetes

B. Stutz, A.J. Ahola, V. Harjutsalo, C. Forsblom, P.-H. Groop

PII: S0939-4753(18)30046-2

DOI: [10.1016/j.numecd.2018.01.011](https://doi.org/10.1016/j.numecd.2018.01.011)

Reference: NUMECD 1842

To appear in: *Nutrition, Metabolism and Cardiovascular Diseases*

Received Date: 10 October 2017

Revised Date: 11 January 2018

Accepted Date: 24 January 2018

Please cite this article as: Stutz B, Ahola AJ, Harjutsalo V, Forsblom C, Groop P-H, on behalf of the FinnDiane Study Group, Association between habitual coffee consumption and metabolic syndrome in type 1 diabetes, *Nutrition, Metabolism and Cardiovascular Diseases* (2018), doi: 10.1016/j.numecd.2018.01.011.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
