## **Accepted Manuscript**

Trajectories of BMI change impact glucose and insulin metabolism

E.I. Walsh, J. Shaw, N. Cherbuin

PII: S0939-4753(17)30314-9

DOI: 10.1016/j.numecd.2017.12.003

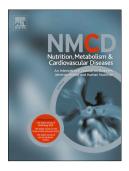

Reference: NUMECD 1823

To appear in: Nutrition, Metabolism and Cardiovascular Diseases

Received Date: 9 October 2017
Revised Date: 4 December 2017
Accepted Date: 6 December 2017

Please cite this article as: Walsh EI, Shaw J, Cherbuin N, Trajectories of BMI change impact glucose and insulin metabolism, *Nutrition, Metabolism and Cardiovascular Diseases* (2018), doi: 10.1016/j.numecd.2017.12.003.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
