Letter to the Editor

Diagnosing Neuropathy in an Obese Patient

Elliot B. Bodofsky, Gregory T. Carter

PII: S1388-2457(18)31107-6

DOI: <https://doi.org/10.1016/j.clinph.2018.05.019>

Reference: CLINPH 2008559

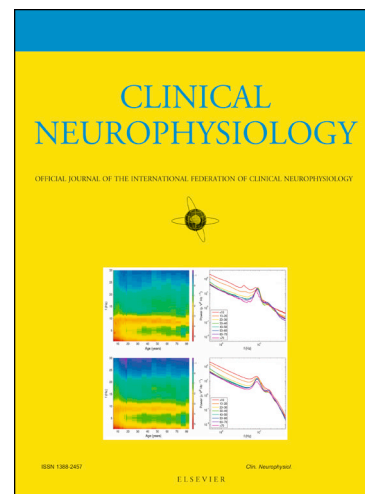

To appear in: *Clinical Neurophysiology*

Received Date: 24 May 2018

Accepted Date: 28 May 2018

Please cite this article as: Bodofsky, E.B., Carter, G.T., Diagnosing Neuropathy in an Obese Patient, *Clinical Neurophysiology* (2018), doi: <https://doi.org/10.1016/j.clinph.2018.05.019>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
