Letter to the Editor

Tumour-like giant nerves in entrapment neuropathies

Anita Csillik, Marianna Tóth, Zsuzsanna Arányi

PII: S1388-2457(17)31190-2

DOI: <https://doi.org/10.1016/j.clinph.2017.11.027>

Reference: CLINPH 2008366

To appear in: *Clinical Neurophysiology*

Accepted Date: 26 November 2017

Please cite this article as: Csillik, A., Tóth, M., Arányi, Z., Tumour-like giant nerves in entrapment neuropathies, *Clinical Neurophysiology* (2017), doi: <https://doi.org/10.1016/j.clinph.2017.11.027>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
