

Accepted Manuscript

Neuronal surface antibody-mediated encephalopathy as manifestation of chronic graft-versus-host disease after allogeneic hematopoietic stem cell transplantation

Pirotte Michelle, Forte Florence, Lutteri Laurence, Willems Evelyne, Duran Unal, Belle Ludovic, Baron Frédéric, Beguin Yves, Maquet Pierre, Bodart Olivier, Servais Sophie

PII: S0165-5728(18)30266-2
DOI: doi:[10.1016/j.jneuroim.2018.08.003](https://doi.org/10.1016/j.jneuroim.2018.08.003)
Reference: JN1 476825

To appear in: *Journal of Neuroimmunology*

Received date: 1 June 2018
Revised date: 6 August 2018
Accepted date: 6 August 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
