This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**TITLE PAGE**

Type of manuscript : **Case report**

The title of the article: **Recurring thalamic symptoms due to intracranial dural arteriovenous fistula: a report of an unusual case and its treatment outcome**

Running title or short title: **Recurring thalamic symptoms due to intracranial dural arteriovenous fistula.**

**AUTHORS**

- 1) S Vinayagamani MD , DNB  
Senior Resident  
Department of Imaging Sciences and Interventional Radiology  
Sree Chitra Institute for Medical Sciences and Technology  
Trivandrum – 695011 , Kerala , India
- 2) Santhosh Kumar Kannath MD , PDCC  
Associate professor  
Neurointervention center  
Department of Imaging Sciences and Interventional Radiology  
Sree Chitra Institute for Medical Sciences and Technology  
Trivandrum – 695011 , Kerala , India
- 3) Jayadevan Enakshy Rajan MD , DNB , DM  
Additional Professor  
Neurointervention center  
Department of Imaging Sciences and Interventional Radiology  
Sree Chitra Institute for Medical Sciences and Technology  
Trivandrum – 695011 , Kerala , India

**CORRESPONDENCE :**

Santhosh Kumar Kannath, Associate Professor, Neurointervention center , Department of Imaging Sciences and Interventional Radiology, Sree Chitra Institute for Medical Sciences and Technology  
Trivandrum – 695011 , Kerala , India.
