## **Accepted Manuscript**

Letter to the Editor Regarding "Association between blood glucose and functional outcome in intracerebral hemorrhage: a systematic review and meta-analysis"

Yaohui Peng, MD.

PII: \$1878-8750(18)30727-7

DOI: 10.1016/j.wneu.2018.04.011

Reference: WNEU 7847

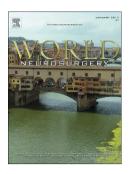

To appear in: World Neurosurgery

Received Date: 1 April 2018

Accepted Date: 2 April 2018

Please cite this article as: Peng Y, Letter to the Editor Regarding "Association between blood glucose and functional outcome in intracerebral hemorrhage: a systematic review and meta-analysis", *World Neurosurgery* (2018), doi: 10.1016/j.wneu.2018.04.011.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
