**Funding:** This research did not receive any specific grant from funding agencies in the public, commercial, or not-for-profit sectors.

**Conflicts of Interest:** Dr. Wang has a Colorado Department of Public Health and Environment (CDPHE) Grant evaluating cannabidiol in pediatric epilepsy patients. He also receives royalties from UpToDate on related subject matter. Dr. Monte receives support from NIH 1 K23 GM110516 and NIH CTSI UL1 TR001082. Dr. Monte is partially funded by a grant through the CDPHE to study the public health effects of cannabis edible products in Colorado. Dr. Monte has a patent pending for a synthetic cannabinoid clinical assay and has been award funding through the Department of Defense for examination of patterns of use of synthetic cannabinoids and assay development. All authors participate on the CDPHE Retail Marijuana Public Health Advisory Committee
