

**To place a notice:**

Associate Registry listings are offered as add-ons to online postings in the AAE Career Center. Visit [careercenter.aae.org](http://careercenter.aae.org) for more information and rates. Because there is a two-month lead time for the *Journal of Endodontics* print issue, listings must be submitted on or before the 10th of each month to

appear in the issue two months later (e.g., a submission received on March 10 will appear in the May issue). If the ad is submitted after the 10th of the month, it will appear in the *JOE* three months later (e.g., a submission received on March 11 will appear in the June issue).

Notices must fit into one of the following categories: endodontic practice, multispecialty group practice,

associate to partner or practice for sale. Each notice must advertise a specific position, practice or opportunity.

## Endodontic Practice

**California, Los Angeles**—Rootvision Endo. Successful, Southern California endodontic practice, seeking full-time associate to work towards expansion into partnership. We are seeking a motivated, quality-orientated associate for a long-term relationship. Partnership will provide a state-of-the-art facility outfitted with latest digital imaging, microscopes, and CBCT. Operations of practice for front/back office/marketing are established and managed with no hassle to you. Your sole responsibility will be to provide the best endodontic care to our steady patient base that will be scheduled for you. 1st year out of school potential income of \$450k and 2nd year \$550k. This expansion/partnership offer has limited time before being filled. Highly growing company with additional growth- NO LIMITS. This is an amazing opportunity for all applicants. PBS Endo software, digital radiography, microscopes in every operatory and CBCT. If interested, email cover letter and resume

to CareerCenter@aae.org.

### Associate to Partner

**Alabama (Central)**—Wonderful opportunity to practice in central Alabama. Our philosophy is “patients first”. We have state-of-the-art equipment/facilities and well-trained staff to provide the best care for the communities we serve. We offer all of the services needed to provide exceptional patient care and support, a strong referral base and all the resources needed allowing you to focus completely on patient care. Highly competitive earning potential; Strong emphasis on quality care; Freedom to practice the way you feel is best for your patients; State-of-the-art dental facilities, equipment and supplies; Excellent benefits; Malpractice insurance provided; and Great area to live and raise a family. Requirement: Must be a graduate of an ADA Accredited Endodontic Program. Experienced endodontists and new graduates may submit CV and resume to endodontistoffice@gmail.com.

**California, Eureka**—Immediate full-time opening for associate endodontist. Busy fee-for-service practice in Eureka, California with CBCT, digital imaging, microscopes and TDO software. This is a rare opportunity to work in an area where your services are needed and appreciated. Excellent income potential. Requirements: Valid California Dental License, and completion of post-graduate endodontic specialty training program. Please contact Dr. Joe Weibert 314/283-6091.

**Colorado, Douglas County**—Our practice was established in 2010. We are a state-of-the-art practice that's still growing rapidly in one of America's wealthiest counties, Douglas County. We have built our practice on conservative and biologically based endodontic principles. Our primary focus has been to produce long-term, predictable results for our referring doctors and their patients. We deliver a far superior patient experience in a relaxed environment, which in combination with our clinical approach has led to rock-solid referrer relationships that are very rarely influenced by our participation status with a particular patient's insurance network. We are a completely digital office, including the following: Carestream 9300 CBCT, Kodak 6100 RVG intraoral sensors, TDO and Canon cameras mounted to our microscopes. All operatories are equipped w/ wall mounted ASI arms, ceiling mounted Zeiss microscopes with assistant side optics, adec patient chairs, Adec rear delivery and RGP doctor and assistant chairs. We are looking for an eager associate with a dynamic personality that wishes to join a practice with the before mentioned practice principles, as these are the foundation of our success. Prospective associates will need to be extremely hard working, self-motivated, clinically competent, an enthusiastic learner and able to establish and manage relationships with the staff and referring offices. It is a must that you work well with others and have a “team-oriented” mindset. If interested, email cover letter and resume to CareerCenter@aae.org.

**Illinois, Chicago's North Suburbs**—Looking for an endodontist to start as associate and then buy in. Associate must be willing to promote practice and go to local meetings. Requirements: Illinois

Endodontic License. Send letter of interest and CV to: greatoptions4u@gmail.com.

**Maryland, Baltimore**—Well-established, state-of-the-art patient-care oriented endodontic practice with two locations seeking a passionate, motivated associate. Practice is equipped with Zeiss microscopes, Kodak digital imaging, Vatech Green CT, ASI carts. One of the offices is brand new. Full and part-time opportunity available. Experienced staff, great locations and the latest technology. The ideal candidate must be patient-care oriented, outgoing, and comfortable visiting other dental practices in the area to develop relationships with referring dentists. Excellent compensation and earning potential. Please reply to info@sereneendo.com.

**New Hampshire, Lebanon**—With two locations in NH and VT, our busy practice is seeking a full-time associate endodontist to join our team. We are a modern office equipped with microscopes, digital radiography, and cone beam CT technology. The candidate must be personable, professional and have a positive attitude. Generous compensation with employee benefits will be provided. Great location for families with easy commutes to ski mountains, lakes, hikes and other outdoor activities. Requirements: certified endodontist. If interested, email cover letter and resume to CareerCenter@aae.org.

**New York, Syracuse**—There is an excellent opportunity for an endodontist to join our growing, successful practice in Syracuse, NY. The group consists of six full-time practitioners who enjoy working together as a team. The offices are fully modernized, including cone beams, Zeiss microscopes, and many other new technologies. Our practice prides itself in quality surgical and conventional endodontics. There is also an opportunity to learn implantology within the practice. If you are a first or second year student, now is the time to start exploring career options. We are offering a very lucrative financial package including a signing bonus. Benefits include health insurance, health club membership, expense account, pension plan and more. The area offers a great quality of life at a very affordable cost. That, along with some of the finest public and private schools in the state, makes it a wonderful place to raise a family. There is a wealth of culture here supported by fine museums, symphony, and stage productions. Central New York is ideal for outdoor recreation, including some of the finest lakes in the country. There are three ski resorts within 30 minutes of downtown. The Adirondacks, Thousand Islands, and Canada are approximately one hour away. The major metropolitan areas - NYC, Boston, and Philadelphia can be reached in about four hours by car. Syracuse University and Lemoyne College bring much to the community including nationally recognized sports programs. All of the above, combined with fine restaurants and a fun night-life, make Syracuse a great place to live and practice. If you are interested in applying for this position, please call Dr. Jeffrey S. Maloff at 315-413-1100 or send your resume to my email address at drjrm4life@gmail.com.

**New York, White Plains**—Premier, endodontic practice with emphasis on cutting-edge technology seeks motivated associate with endodontic surgical experience. Wonderful place to live and raise a family with great schools and high-income potential. Excellent opportunity for career minded endodontist

seeking to join a well-established, high-end practice leading to partnership!

**North Carolina, Charlotte**—An excellent opportunity for an associate position in the Charlotte area. The candidate must be a personable, motivated and willing to network. We have a competitive compensation package with benefits. Charlotte city is a great city with growing economy, great weather and a great place to live.
