

To place a notice:

Associate Registry listings are offered as add-ons to online postings in the AAE Career Center. Visit careercenter.aae.org for more information and rates. Because there is a two-month lead time for the *Journal of Endodontics* print issue, listings must be submitted on or before the 10th of each month to

appear in the issue two months later (e.g., a submission received on March 10 will appear in the May issue). If the ad is submitted after the 10th of the month, it will appear in the *JOE* three months later (e.g., a submission received on March 11 will appear in the June issue).

Notices must fit into one of the following categories: endodontic practice, multispecialty group practice,

associate to partner or practice for sale. Each notice must advertise a specific position, practice or opportunity.

For questions, contact Brenda Stewart, AAE professional affairs coordinator, by phone at 800-872-3636 or 312-266-7255, ext. 3049, or by email at bstewart@aae.org.

Endodontic Practice

Florida, St. Augustine—Full-time or part-time endodontic associate wanted in a large endodontic practice in Coastal North-East Florida. Well-established specialty practice with large referral basis, two offices; both newly remodeled, fully state-of-the-art, microscopes, digital radiography, and CBCT in both locations. Live in one of the most beautiful cities in the country, with access to every type of coastal activity. Send CV via email R1000@aug.com or contact via phone 904-540-7378.

Illinois—We are a successful endodontic specialty practice in growth mode seeking the best endodontist to join our team. We seek clinicians committed to the highest quality patient care. We provide all administrative and management oversight so that you are able to focus on your patients. Office staff is well-trained and professional. Exceptional opportunity for endodontists who desire long-term, stable earning potential in a well-run, modern practice with state-of-the-art equipment and excellent support staff. Two practices located in western Chicago suburbs. Requirement: must be licensed in Illinois. If interested, email cover letter and resume to CareerCenter@aae.org.

Maine, Portland—A well-established Maine practice with multiple locations is seeking a highly motivated full-time endodontist to work four days/week as an associate with a partnership opportunity. All offices are equipped with microscopes and a CBCT is in our main location. We are a paperless office utilizing TDO software. We offer an excellent compensation/benefit package including medical insurance, dental insurance and a 401K retirement plan. Please send a CV with references to ashur@endoassoc.com. For more information, please visit our website at www.endoassoc.com.

Michigan (Southeast)—We are currently looking for full or part-time endodontists to join our practice. Endodontic Associates is a well-established, quality-oriented group practice limited to endodontics, located in upscale communities in Southeast Michigan. Our objective is to provide endodontic services promptly, efficiently and consistent with the highest standards of the profession. We are searching for personable, self-motivated and productive endodontists who share those same goals. With recent turnover of some senior partners a need has arisen to fill vacated positions immediately. This will provide any new associate with an immediate productive patient schedule and fully experienced staff. We utilize operating microscopes, digital radiography and limited view cone beam CT imaging to treat the most complicated cases providing a positive patient experience with predictable, effective results. We have a very wide referral base that supplies an exceptional income potential. If interested, email cover letter and

resume to CareerCenter@aae.org.

North Carolina, Charlotte area—I am seeking an associate endodontist to join my practice in a beautiful area north of Charlotte. We have created an incredible working environment upfit with the latest technology and incredible, well-trained staff. Ideally, I would like my associate to bring great enthusiasm and compassion to the office. A great attitude and approach to patient care is a must, with an emphasis on patient education and communication followed by pain-free, technical and skilled endodontics. Our referral base will expect their patients to return speaking glowingly about our office following their visit with us. We have branded our practice using the clinical operating microscope and truly believe using it is the best way to treat cases. We have augmented our diagnostic techniques with our recently purchased Planmeca Cone Beam as well. Requirements: Endodontic Certificate from accredited endodontic program. Microscopic endodontic skills. Great attitude and personality. If you have a great attitude towards patients and staff and enjoy providing endodontic care through the microscope, please forward a resume with references to drhaglund@LKNendo.com.

Texas, Houston—Immediate openings for talented Full-Time Endodontic position for well-established endodontic office located in the Greater Houston area. Our modern and inviting practice has state-of-the-art equipment, including digital radiography and endodontic microscopes in each operatory. We also utilized cone beam technology and use the Carestream 9000 CBCT. Our endodontists have clinical freedom and autonomy enjoyed in traditional private practice without financial or administrative burdens associated with practice management. We are looking for an associate who must be a team player, self-motivated, positive thinker and hard working. High patient volume. Owner doctor is looking to cut back from full-time to part-time. We are looking for long-term commitment and potentially partnerships. Contact: htendo823@yahoo.com.

Washington, Seattle—Expanding endodontic private practice in the heart of Seattle is looking for an associate endodontist to join our busy office. We are a boutique practice that treats each patient individually and like family, values our team, and would be a great office to join. We are flexible with either full-time or part-time. Please send your cover letter and resume to CareerCenter@aae.org. We would love to meet you!

Wisconsin, Madison—Madison Endodontic Associates, S.C. (madisonendodontic.com). First endodontic practice established in Madison, WI (1973). Well-respected, quality-oriented, multi-site endodontic practice; positive office culture; two office locations with six operatories at each location.

Microscopes are available in all operatories; Schick digital radiography CS 9000. Unique and terrific opportunity for a full-time endodontist associate with potential for partnership. Large referral base; teaching opportunities; benefits available include healthcare insurance and a 401(k) retirement plan; 4 day work week - no weekends; Capitol and university city consistently ranked among the top places to live in the U.S. Madison, Wisconsin offers a wonderful quality of life for individuals and families. Please send your resume/cover letter and reply to endodonticsmadison@outlook.com. Contact Andrew Wright at: 608-279-0452 for more information.

Associate to Partner

Alabama (Central)—Wonderful opportunity to practice in central Alabama. Our philosophy is "patients first". We have state-of-the-art equipment/facilities and well-trained staff to provide the best care for the communities we serve. We offer all of the services needed to provide exceptional patient care and support, a strong referral base and all the resources needed allowing you to focus completely on patient care. Highly competitive earning potential, strong emphasis on quality care, freedom to practice the way you feel is best for your patients, state-of-the-art dental facilities, equipment and supplies; excellent 401K plan; malpractice insurance provided, great area to live and raise a family. Experienced endodontists and new graduates may submit CV and resume to endodontistoffice@gmail.com.

California, San Luis Obispo—Very modern and well-equipped endodontic office looking for a full-time associate. Zeiss microscopes, J Morita CBCT, etc. San Luis Obispo California, great place to live and work. 3 hours away from Los Angeles and San Francisco. 1.5 hours from Santa Barbara. Amazing weather year-round. Requirement: Accredited Endodontic Certificate. Please reply at genteendo@hotmail.com.

Centennial, Colorado—Seeking an associate for FT position with salary. Interview options at 2018 AAE Meeting. Requirements: DDS / DMD, Certificate in Endodontics. Please contact Marie Chatterley of CTC Associates to learn more about this opportunity. (303) 249-0611 or marie@ctc-associates.com

Colorado, Douglas County—Our practice was established in 2010. We are a state-of-the-art practice that's still growing rapidly in one of America's wealthiest counties, Douglas County. We have built our practice on conservative and biologically based endodontic principles. Our primary focus has been to produce long-term, predictable results for our referring doctors and their patients. We deliver a far superior patient experience in a relaxed environment, which in combination with our clinical approach has led to rock-solid referrer

relationships that are very rarely influenced by our participation status with a particular patient's insurance network. We are a completely digital office, including the following: Carestream 9300 CBCT, Kodak 6100 RVG intraoral sensors, TDO and Canon cameras mounted to our microscopes. All operatories are equipped with wall mounted ASI arms, ceiling mounted Zeiss microscopes with assistant side optics, Adec patient chairs, Adec rear delivery and RGP doctor and assistant chairs. We are looking for an eager associate with a dynamic personality that wishes to join a practice with the before mentioned practice principles, as these are the foundation of our success. Prospective associates will need to be extremely hard working, self-motivated, clinically competent, an enthusiastic learner and able to establish and manage relationships with the staff and referring offices. It is a must that you work well with others and have a "team-oriented" mindset. If interested, email cover letter and resume to CareerCenter@aae.org.

New York, Syracuse—There is an excellent opportunity for an endodontist to join our growing, successful practice in Syracuse, NY. The group consists of six full-time practitioners who enjoy working together as a team. The offices are fully modernized, including cone beams, Zeiss microscopes, and many other new technologies. Our practice prides itself in quality surgical and conventional endodontics. There is also an opportunity to learn implantology within the practice. If you are a first or second year student, now is the time to start exploring career options. We are offering a very lucrative financial package including a signing bonus. Benefits include health insurance, health club membership, expense account, pension plan and more. The area offers a great quality of life at a very affordable cost. That, along with some of the finest public and private schools in the state, makes it a wonderful place to raise a family. There is a wealth of culture here supported by fine museums, symphony, and stage productions. Central New York is ideal for outdoor recreation, including some of the finest lakes in the country. There are three ski resorts within 30 minutes of downtown. The Adirondacks, Thousand Islands, and Canada are approximately one hour away. The major metropolitan areas - NYC, Boston, and Philadelphia can be reached in about four hours by car. Syracuse University and Lemoine College bring much to the community including nationally recognized sports programs. All of the above, combined with fine restaurants and a fun night-life, make Syracuse a great place to live and practice. If you are interested in applying for this position, please call Dr. Jeffrey S. Maloff at 315-413-1100 or send your resume to my email address at drjms4life@gmail.com.

North Carolina—Well-established, five-doctor endodontic practice with three locations in Eastern North Carolina between Raleigh and the coast. We are seeking a motivated, caring and friendly full-time associate with early partnership goals to replace a retiring partner. All offices are outfitted with microscopes, CareStream CBCT, and experienced staff. Unlimited income potential as both an associate and partner. Eastern North Carolina offers a mild climate at a relaxed pace and provides an ideal balance of work and family life. Requirements: U.S. Certificate in Endodontics from an accredited

program, minimum. Applicant must be familiar with contemporary treatment techniques, including Microscopes and CBCT. If interested, email cover letter and resume to CareerCenter@aae.org.

Pennsylvania (Central)—This busy, well-established state-of-the-art practice is seeking a quality-oriented, personable endodontist. Multi-locations with microscopes, digital radiography, and cone beam CT technology. Full-time leading to partnership. Contact Kelly Murray at 717-545-7400, ext. 124 or email kelly@endodonticsassociates.net.

Texas, Laredo—4-5 days/month consecutive or 2-3 days every two weeks. We are looking for a clinically proficient and patient focused endodontist to treat our expanding patient population in Laredo Texas. We treat a diverse patient population including Texas Medicaid/CHIP, cash, insurance, care credit etc. Our patient ages range from 9 and up. Our offices are equipped with electric handpieces, electric/cordless rotary motors, cordless apex locators, and we are open to using any file system the specialist requires. Our current rotary inventory includes Pro-taper, Endo sequence and Wave One Gold. The endodontist should be comfortable treating between 8-12 patients per day. We have an exciting and competitive compensation plan for the right doctor. Our location is a convenient one-hour flight from Dallas, and is easily drivable from San Antonio, Corpus Christi, Brownsville etc. Speak directly to the practice owner. I am looking forward to hearing from you. Requirements: Texas Dental License, Texas Medicaid (CHIP), we can help with the credentialing, Nitrous Certification. Please reply to paul@planetdentaltexas.com.

Educator

California, Loma Linda—The Department of Endodontics at Loma Linda University School of Dentistry invites applications for a full-time faculty position. Major responsibilities include teaching and supervision of predoctoral and advanced education students in didactic, pre-clinical, patient care and research settings. Expectations include establishing good working relations with students, staff and faculty; participation in teaching, scholarly activities and service leading to future development and promotion. Requirements for the position include a D.D.S./D.M.D. or equivalent degree, and completion of an ADA recognized and accredited advanced education program in endodontics. Experience in educational innovation, use of technology in education and computer skills are expected with preference given to those with previous teaching and research experience. Salary and academic rank will be commensurate with qualifications and experience. The position will be available until filled. Review of applications will begin upon receipt and will continue until the position is filled. Interested applicants should submit a letter of interest, curriculum vitae and the names of three references to: Dr. Tory Silvestrin, Chairman of Endodontics, School of Dentistry, Loma Linda University, Loma Linda, CA 92350; or by email to tsilvestrin@llu.edu. Loma Linda University School of Dentistry is a component of Loma Linda University Health, a religiously qualified equal opportunity employer. Candidates of all religious traditions are encouraged to apply. A pre-employment background investigation is performed on candidates for positions at Loma Linda University.

Massachusetts, Boston—Boston University Henry M. Goldman School of Dental Medicine invites
