

To place a notice:

Associate Registry listings are offered as add-ons to online postings in the AAE Career Center. Visit careercenter.aae.org for more information and rates. Because there is a two-month lead time for the *Journal of Endodontics* print issue, listings must be submitted on or before the 10th of each month to

appear in the issue two months later (e.g., a submission received on March 10 will appear in the May issue). If the ad is submitted after the 10th of the month, it will appear in the *JOE* three months later (e.g., a submission received on March 11 will appear in the June issue).

Notices must fit into one of the following categories: endodontic practice, multispecialty group practice,

associate to partner or practice for sale. Each notice must advertise a specific position, practice or opportunity.

For questions, contact Brenda Stewart, AAE professional affairs coordinator, by phone at 800-872-3636 or 312-266-7255, ext. 3049, or by email at bstewart@aae.org.

Two locations with microscopes and digital radiography. This position is anticipated to lead to partnership in the practice. Requirement: Certificate in Endodontics. Please reply to office@yaendo.com.

Omaha, Nebraska—Extremely busy/profitable

practice looking for 50% partner after short 6-month associateship. 6 ops, modern, and digital. 90% primary endo with only 10% retreat/apico. Single location so no travel to multiple satellites. Very low overhead. Be busy from day one! Contact: tndrake@hotmail.com or 319-321-4735.

Tennessee, Nashville—Welcome to Nashville! Build your endodontic career in one of the country's most vibrant, culturally rich and rapid growing cities. Music City is growing at more than twice the national average. During the past five years alone, over 150,000 people have decided to make Nashville their new home. Currently, the population of the Greater Nashville area stands at about 1.6 million and is expected to exceed 3 million by 2035. The demand for all health-related services for this expanding population is clear. Apex Endodontics of TN was founded in 2008. Our dental team utilizes state-of-the-art equipment, technology and advanced training to deliver the highest quality of endodontic services to our referrals and their patients. Our commitment to quality, our community and additional training that includes IV and oral sedation allowed Apex to grow from a single practice to a five-location group practice. Tremendous growth in our patient referral base has compelled our practice to expand. We are currently seeking the right endodontic candidate to join in the building of our practice. We are offering a competitive market based compensation package highlighted by the following: sign on bonus of \$25,000 based on two-year commitment; moving expense allowance up to \$5,000.00; compensation-% of adjusted collections against production; guaranteed annual base; quarterly production incentive bonus plan; quick and transparent path to ownership with low earn-in threshold; mentorship program for IV sedation and Implant training; and continuing education. Aside from the competitive compensation package, all of our offices are professionally supported with innovative business systems, HR structuring, marketing services and an ambitious staff eager to welcome and work with you! If this opportunity interests you please email drheeren@apexendotn.com or Ashley@apexendotn.com, cell 615-479-0843. We look forward to hearing from you.

Texas, Houston—Endodontic practice is seeking a motivated full-time/part-time associate eager to provide the best possible dental care to our patients. We are a fast-paced endodontic practice with a highly trained staff that makes the schedule flow smooth and efficiently. This is an excellent opportunity for an endodontist to be part of a well-established specialty office. Eligible associate will treat 4-8 patients per day in a paperless, high tech facility with all digital radiography, intraoral camera, CBCT and rotary endo. Requirement: Must be willing to travel. If you are interested in learning more about the position please submit C.V. to dana@ezrootcanal.com.

Virginia (Northern)—Our endodontic practice is a dynamic and progressive group practice looking for an endodontic associate to assist with daily patient care and operations. Our practice offers a trained and experienced staff and four convenient locations in the Northern Virginia area. We have state-of-the-art technologies to include microscopes and 3-D x-ray capabilities to assist with diagnostic capabilities. Requirements: We are looking for a mature candidate who understand the importance of

initiative and the establishment of a positive rapport both patients and general dentists. If interested please email your CV to rexmp@gmail.com.

Washington—Associate endodontist wanted for modern private practice north of Seattle. Part or full-time with an option to buy-in for the right person. Must be personable, highly motivated, and willing to network with referrals. This is a multi-location office with up-to-date technology, including CBCT, Digital x-rays and microscopes. There are five operatories in the Arlington location and three operatories in our Lynnwood location. Please email CV and cover letter to Bart@robisondds.com.

Wisconsin, La Crosse—Gundersen Health System's Department of Dental Specialties is recruiting for an endodontist to work at our La Crosse location with possible outreach duties. The successful candidate will have a D.D.S. or D.M.D., a Wisconsin license or eligibility to obtain one. In addition, a Certificate in Endodontics is required. Some outreach to area clinics is likely. We seek a champion in innovation with the ability to collaborate extensively with others. We offer state-of-the-art equipment, highly trained staff, and outstanding compensation potential in our physician-led health system. The Dental Specialties Department is composed of a team of dental specialists in orthodontics, oral and maxillofacial surgery, periodontics, prosthodontics and pediatric dentistry. Our teams work collaboratively across clinical departments to provide excellent care and high-quality treatment to meet our patient needs. We are home to an accredited oral and maxillofacial residency program and recently expanded our services with two new clinics. Gundersen Health System is a physician-led, multispecialty health system that employs nearly 800 medical, dental specialty and associate staff based in La Crosse, Wisconsin. Our service to the area includes over 20 regional clinics throughout southwestern Wisconsin, southeastern Minnesota, and northeastern Iowa. La Crosse has an area population of nearly 100,000, and is unequalled for its natural beauty in the Upper Mississippi River Valley and bluffs region. La Crosse offers many opportunities for outdoor activities, an excellent school system and art programs. If interested, please reply to jpnevala@gundersenhealth.org.

Associate to Partner

California, Los Angeles/San Gabriel Valley—Reputable endodontic practice is seeking a friendly and conscientious endodontist associate in the Los Angeles/San Gabriel Valley area. Position is 3-4 days per week to start. If interested, email cover letter and resume to CareerCenter@aee.org.

California, Orange County - Located in the center of Orange County, California, a well-established practice with state-of-the-art equipment is seeking a motivated, compassionate, and quality-oriented endodontist for an associate position. Proven, experienced, and trusted by Orange County area, we have been standing strong for over 27 years with solid referral with a great reputation. Our utmost priority and aim is to excel in quality patient care with strong referral relationships. We are located in two of the most populated and desired cities in Orange County: Irvine and Garden Grove. Income is highly competitive! Please join our outstanding practice

and expand your professional advancement with great potential! Please reply to lygiakk@yahoo.com.

Colorado, Centennial—An endodontic practice in the Metro Denver area is seeking an associate with a buy-in partnership option. Requirements: D.D.S./D.M.D., Certificate in Endodontics, Colorado Dental License or eligibility. Please contact Marie Chatterley of CTC Associates to learn more about this opportunity. 303-249-0611 or marie@ctc-associates.com.

Colorado, Douglas County—Our practice was established in 2010. We are a state-of-the-art practice that's still growing rapidly in one of America's wealthiest counties, Douglas County. We have built our practice on conservative and biologically based endodontic principles. Our primary focus has been to produce long-term, predictable results for our referring doctors and their patients. We deliver a far superior patient experience in a relaxed environment, which in combination with our clinical approach has led to rock-solid referrer relationships that are very rarely influenced by our participation status with a particular patient's insurance network. We are a completely digital office, including the following: Carestream 9300 CBCT, Kodak 6100 RVG intraoral sensors, TDO and Canon cameras mounted to our microscopes. All operatories are equipped w/wall mounted ASI arms, ceiling mounted Ziess microscopes with assistant side optics, adtec patient chairs, Adtec rear delivery and RGP doctor and assistant chairs. We are looking for an eager associate with a dynamic personality that wishes to join a practice with the before mentioned practice principles, as these are the foundation of our success. Prospective associates will need to be extremely hard working, self-motivated, clinically competent, an enthusiastic learner and able to establish and manage relationships with the staff and referring offices. It is a must that you work well with others and have a "team-oriented" mindset. If interested, email cover letter and resume to CareerCenter@aee.org.

Florida, Melbourne—Great opportunity for an endodontic associate leading to partnership within a long-established, busy, multiple location endodontic practice on Florida's Space Coast. Cocoa Beach, Melbourne, Titusville. We are seeking a quality-oriented and well-motivated endodontist for a full-time position seeking path to partnership. We have four state-of-the-art digital offices equipped with microscopes and CBCT. Amazing location near NASA, beaches, and Orlando. www.321endo.com. Requirements: D.D.S./D.M.D., Certificate in Endodontics, State of Florida License. If interested, please respond with letter of interest, CV/resume, and references to drhachmeister@gmail.com.

Georgia, Richmond Hill—Endodontic position available in multi-location practice.
