Are we what our mothers made us? Lessons from epigenetics

Donata Vercelli, MD

PII: S0091-6749(17)32927-5

DOI: [10.1016/j.jaci.2017.12.973](https://doi.org/10.1016/j.jaci.2017.12.973)

Reference: YMAI 13185

To appear in: *Journal of Allergy and Clinical Immunology*

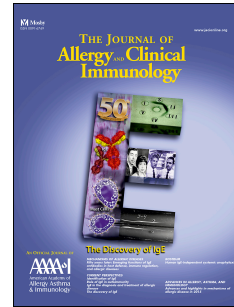

Received Date: 9 May 2017

Revised Date: 12 December 2017

Accepted Date: 15 December 2017

Please cite this article as: Vercelli D, Are we what our mothers made us? Lessons from epigenetics, *Journal of Allergy and Clinical Immunology* (2018), doi: 10.1016/j.jaci.2017.12.973.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
