Please check if appropriate. Yajem(2017), doi:[10.1016/j.ajem.2018.03.060](https://doi.org/10.1016/j.ajem.2018.03.060)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Single question delirium screens

## An Evaluation of Single Question Delirium Screening Tools in Older Emergency

### Department Patients

Jin H. Han, MD, MSc<sup>†§</sup>; Amanda Wilson, MD<sup>#</sup>; John F. Schnelle, PhD<sup>†§||</sup>; Robert S. Dittus, MD,  
MPH<sup>‡§||</sup>; E. Wesley Ely, MD, MPH<sup>†||</sup>;

#### Author Affiliations:

†Center for Quality Aging; \*Department of Emergency Medicine; #Department of Psychiatry; Department of Medicine, ‡Division of General Internal Medicine and Public Health, §Center for Health Services Research, ¶Division of Allergy, Pulmonary, and Critical Care Medicine, Vanderbilt University School of Medicine, Nashville, TN. ||Geriatric Research, Education, and Clinical Center, Department of Veterans Affairs Medical Center, Tennessee Valley Health Care Center, Nashville, TN.

**Running Head:** Single question delirium screens

#### Source of Funding

Dr. Han and this study were funded by the Emergency Medicine Foundation Career Development Award and National Institute on Aging of the National Institutes of Health under award number K23AG032355. This study was also supported by the National Center for Research Resources, Grant UL1 RR024975-01, and is now at the National Center for Advancing Translational Sciences, Grant 2 UL1 TR000445-06. Dr. Ely was supported in part by the National Institutes of Health R01AG027472 and R01AG035117, and a Veteran Affairs MERIT award and Geriatric Research, Education, and Clinical Center. Drs. Schnelle and Dittus
