

## Accepted Manuscript

Title: ICS classification system of infected osteosynthesis:  
long-term results

Authors: Carlo L. Romano, Ilaria Morelli, Delia Romano,  
Enzo Meani, Lorenzo Drago

PII: S0020-1383(18)30002-0  
DOI: <https://doi.org/10.1016/j.injury.2018.01.002>  
Reference: JINJ 7543

To appear in: *Injury, Int. J. Care Injured*

Received date: 9-12-2017  
Accepted date: 5-1-2018

Please cite this article as: Romano Carlo L, Morelli Ilaria, Romano Delia, Meani Enzo, Drago Lorenzo. ICS classification system of infected osteosynthesis: long-term results. *Injury* <https://doi.org/10.1016/j.injury.2018.01.002>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**ICS classification system of infected osteosynthesis: long-term results.**
