Corresponding Author: Jeffrey M. Lackner, Psy.D., Behavioral Medicine Clinic, Department of Medicine, Jacobs School of Medicine, University at Buffalo, ECMC 462 Grider Street, Buffalo, NY 14215. Telephone: 716-898-5671; Fax: 716-898-3040; Email: lackner@buffalo.edu

Grant Support and Disclaimer: Research reported in this manuscript was supported by the NIH/NIDDK Grant 77738 (Dr. Lackner). The content is solely the responsibility of the authors and does not necessarily represent the official views of NIH.

Conflict of interest: None reported.

Author Contributions: Dr. Lackner and Dr. Jaccard had full access to all of the data in the study and take responsibility for the integrity of the data and the accuracy of the data analysis.

Study concept and design: Lackner, Firth, Jaccard, Gudleski, Katz, Krasner, Keefer, Brenner, Sitrin, Hamilton

Acquisition, analysis, or interpretation of data: All authors

Drafting of the manuscript: Lackner, Jaccard

Critical revision of the manuscript for important intellectual content: All authors

Statistical analysis: Jaccard

Obtained funding: Lackner, Jaccard, Firth, Keefer, Sitrin

Administrative, technical, or material support: All authors

Study supervision: Lackner, Firth, Jaccard, Keefer, Brenner, Hamilton, Ma

Short Title: Brief Cognitive Behavior Therapy for IBS

Role of the Funder/Sponsor: NIDDK scientists (Drs Frank Hamilton and Patricia Robuck) contributed to the design and conduct of the study, which included the collection and management of data. The project scientist from the NIDDK served as a member of the IBSOS steering committee. The decision to publish was made by the IBSOS steering committee in consultation with all authors, with no restrictions imposed by the sponsor. As a coauthor, the NIDDK scientist contributed to the interpretation of the data and the preparation, review, and approval of the manuscript

ACKNOWLEDGEMENTS: The investigators would like to thank the volunteers who enrolled in the IBSOS. We gratefully acknowledge the following individuals for their instrumental roles in the design and conduct of the IBSOS:

NIDDK: Sherry R. Hall, M.S., Patricia Robuck, Ph.D., MPH (past Project Scientist), Rebecca Torrance, R.N., M.S.N., Aynur Unalp-Arida, MD, MSc, Ph.D (Program Officer), Rebekah Van Raaphorst
