No Increase in Risk of Acute Myocardial Infarction in Privately Insured Adults Prescribed Proton Pump Inhibitors vs Histamine-2 Receptor Antagonists (2002–2014)

Suzanne N. Landi, Robert S. Sandler, Virginia Pate, Jennifer L. Lund

PII: S0016-5085(17)36330-8
DOI: [10.1053/j.gastro.2017.10.042](https://doi.org/10.1053/j.gastro.2017.10.042)
Reference: YGAST 61518

To appear in: *Gastroenterology*
Accepted Date: 30 October 2017

Please cite this article as: Landi SN, Sandler RS, Pate V, Lund JL, No Increase in Risk of Acute Myocardial Infarction in Privately Insured Adults Prescribed Proton Pump Inhibitors vs Histamine-2 Receptor Antagonists (2002–2014), *Gastroenterology* (2017), doi: 10.1053/j.gastro.2017.10.042.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

PPI Use and Acute Myocardial Infarction Risk

Title: No Increase in Risk of Acute Myocardial Infarction in Privately Insured Adults Prescribed Proton Pump Inhibitors vs Histamine-2 Receptor Antagonists (2002–2014)

Short Title: limited to 45 characters (with spaces): PPI Use and Acute Myocardial Infarction Risk

Suzanne N. Landi,¹ Robert S. Sandler,^{1,2} Virginia Pate,¹ Jennifer L. Lund¹

Affiliations

1 Department of Epidemiology, Gillings School of Global Public Health; University of North Carolina at Chapel Hill, Chapel Hill, NC

2 Center for Gastrointestinal Biology and Disease, University of North Carolina, Chapel Hill, NC

Grant support: None

Abbreviations: CI: confidence interval; H2RA: histamine-2 receptor antagonists; IQR: interquartile range; MI: myocardial infarction; NSAID: nonsteroidal anti-inflammatory drug; PPI: proton pump inhibitor; RD: risk difference; RR: risk ratio; SD: standard deviation; SMR: standardized morbidity ratio; SSRI: selective serotonin reuptake inhibitor.

Correspondence: provide contact information (i.e., name, physical address, email address, telephone, and fax numbers) of the corresponding author: Jennifer Lund, 2102D McGavran-Greenberg Hall, CB #7435, 135 Dauer Drive, Chapel Hill, NC 27599-7400; jennifer.lund@unc.edu; (919) 966-7440

Disclosures: list any potential conflicts (financial, professional, or personal) relevant to the manuscript. If an author has nothing to disclose, this must be stated: Ms. Landi is funded by a student fellowship through UCB Biosciences Inc. Dr. Lund receives research
