Study contributions: Rex: study design, data collection, manuscript drafting and revision;
Repici, Gross, Hassan: study design and data collection, critical review and revision of the
manuscript; Ponugoti, Garcia: data collection and management; Vemulapalli: study design and
review of the manuscript, Broadley, Thygesen, Sullivan, Tippins: data collection and review of
the manuscript; Eckert: statistical support and analysis

Conflicts of Interests: Rex: research support, Boston Scientific, Medivators, EndoChoice,
EndoAid, Braintree Laboratories, Medtronic, Colony Solutions, PAION, US Endoscopy:
consultant: Boston Scientific, Olympus Corporation; Repici; Gross: consultant Cook Medical,
Boston Scientific, Olympus Corporation, Medivators

This work was supported by a gift to the Indiana University Foundation from Scott Schurz of
Bloomington, Indiana in the name of Douglas K Rex
