Tel. +39-02-23902760 Fax. +39-02-23903259

Keywords: radioembolization; hepatocellular carcinoma; portal vein thrombosis; liver neoplasms; prognosis

Conflict of interest statement: C Sposito, C Spreafico and V Mazzaferro received honoraria from BTG for training courses with educational purposes on radioembolization.

Funding sources: none to declare; no financial disclosures from any authors

Authors contributions: C Sposito wrote the letter, C Spreafico and V Mazzaferro revised the letter for important intellectual content. All Authors provided adequate contribution in the present work.
