Controversies in Hepatology

Should Living Donor Liver Transplantation Be an Option When Deceased Donation Is Not?

Sarah R. Lieber, Thomas D. Schiano, Rosamond Rhodes

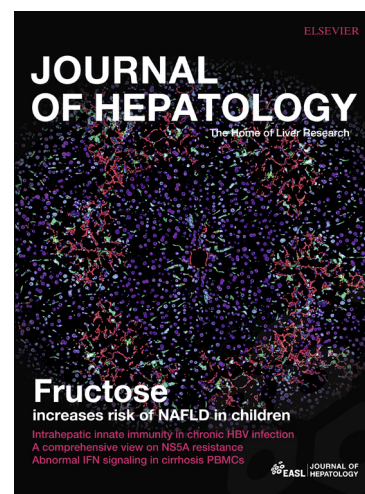

PII: S0168-8278(17)32405-4
DOI: <https://doi.org/10.1016/j.jhep.2017.10.024>
Reference: JHEPAT 6731

To appear in: *Journal of Hepatology*

Received Date: 9 August 2017
Revised Date: 20 September 2017
Accepted Date: 15 October 2017

Please cite this article as: Lieber, S.R., Schiano, T.D., Rhodes, R., Should Living Donor Liver Transplantation Be an Option When Deceased Donation Is Not?, *Journal of Hepatology* (2017), doi: <https://doi.org/10.1016/j.jhep.2017.10.024>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Should Living Donor Liver Transplantation Be an Option When Deceased Donation Is Not?
