Therapeutic editing of hepatocyte genome *in vivo*

Marina Ruiz de Galarreta, Amaia Lujambio

PII: S0168-8278(17)32048-2

DOI: <http://dx.doi.org/10.1016/j.jhep.2017.05.012>

Reference: JHEPAT 6537

To appear in: *Journal of Hepatology*

Received Date: 16 February 2017

Revised Date: 21 April 2017

Accepted Date: 8 May 2017

Please cite this article as: de Galarreta, M.R., Lujambio, A., Therapeutic editing of hepatocyte genome *in vivo*, *Journal of Hepatology* (2017), doi: <http://dx.doi.org/10.1016/j.jhep.2017.05.012>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Therapeutic editing of hepatocyte genome *in vivo*
