Title: Current Perspectives on the Crosstalk Between Lung Cancer Stem Cells and Cancer-Associated Fibroblasts

Authors: Cristina Alguacil Núñez, Inés Ferrer Ortiz, Elena García Verdú, Pilar López Pirez, Irene Maria Llorente Cortijo, Bruno Sainz Jr

PII: S1040-8428(17)30456-0
DOI: <https://doi.org/10.1016/j.critrevonc.2018.02.015>
Reference: ONCH 2512

To appear in: *Critical Reviews in Oncology/Hematology*

Received date: 8-10-2017
Revised date: 17-2-2018
Accepted date: 26-2-2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Current Perspectives on the Crosstalk Between Lung Cancer Stem Cells and Cancer-Associated Fibroblasts.
