This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Autoimmune hemolytic anemia (AIHA) following allogeneic hematopoietic stem cell transplantation (HSCT): A retrospective analysis and a proposal of treatment on behalf of the *Grupo Español De Trasplante de Medula Osea en Niños* (GETMON) and the *Grupo Español de Trasplante Hematopoyetico* (GETH).**

**AUTHORS:**

- Marta González-Vicent. Stem cell transplant unit. Hospital Niño Jesús (Madrid)
- Jaime Sanz. Hematology Department. Hospital La Fe (Valencia).
- José Luis Fuster. Pediatric Hematology-Oncology. Hospital Virgen de la Arrixaca (Murcia)
- Joan Cid. Apheresis and Cellular Therapy Unit. Department of Hemotherapy and Hemostasis. ICMHO. IDIBAPS. UB. Hospital Clínic (Barcelona).
- Cristina Díaz de Heredia. Pediatric Hematology-Oncology. Hospital Vall d'Hebrón (Barcelona).
- Daniel Morillo. Hematology Department. Hospital Puerta de Hierro (Madrid)
- José María Fernández. Pediatric Hematology-Oncology. Hospital la Fe (Valencia)
- Antonia Pascual. Pediatric Hematology. Hospital Materno Infantil (Málaga)
- Isabel Badell. Pediatric Hematology-Oncology. Hospital Santa Creu i Sant Pau. Universidad Autonoma (Barcelona).
- David Serrano. Hematology Department. Hospital Gregorio Marañón (Madrid).
- Laura Fox. Hematology Department. Hospital Vall d'Hebrón (Barcelona)
- Javier de la Serna. Hematology Department. Hospital Doce de Octubre (Madrid).
- Ana Benito. Pediatric Hematology-Oncology. Hospital Universitario de Salamanca (Salamanca)
- José Miguel Couselo. Pediatric Hematology-Oncology. Hospital Clínico Universitario de Santiago de Compostela (Santiago).
- Blanca Molina. Stem cell transplant unit. Hospital Niño Jesús (Madrid)
- Miguel Ángel Díaz. Stem cell transplant unit. Hospital Niño Jesús (Madrid)
- Miguel Ángel Sanz. Hematology Department. Hospital La Fe (Valencia).
