Title: Rifampin resistance in *staphylococcus epidermidis*: molecular characterization and fitness cost of *rpoB* mutations

Author: Yu Mi Wi, Kerryl E. Greenwood-Quaintance, Cassandra L. Brinkman, Jean Y.H. Lee, Benjamin P. Howden, Robin Patel

PII: S0924-8579(17)30453-3

DOI: <https://doi.org/10.1016/j.ijantimicag.2017.12.019>

Reference: ANTAGE 5328

To appear in: *International Journal of Antimicrobial Agents*

Received date: 16-10-2017

Accepted date: 16-12-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Rifampin Resistance in *Staphylococcus epidermidis*: Molecular Characterization and
Fitness Cost of *rpoB* Mutations**
