Title: Co-infection with influenza-associated acute respiratory distress syndrome requiring extracorporeal membrane oxygenation

Author: Sacha Rozenchwajg, Nicolas Bréchet, Matthieu Schmidt, Guillaume Hékimian, Guillaume Lebreton, Sébastien Besset, Guillaume Franchineau, Ania Nieszkowska, Pascal Leprince, Alain Combes, Charles-Edouard Luyt

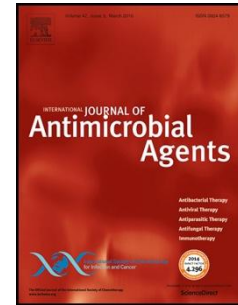

PII: S0924-8579(17)30397-7
DOI: <https://doi.org/10.1016/j.ijantimicag.2017.11.005>
Reference: ANTAGE 5297

To appear in: *International Journal of Antimicrobial Agents*

Received date: 15-8-2017
Accepted date: 12-11-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 Original article

2 **Co-infection with influenza-associated acute respiratory distress**
3 **syndrome requiring extracorporeal membrane oxygenation**
