Title: Expansion of KPC-producing *klebsiella pneumoniae* with various *mgrB*-mutations giving rise to colistin-resistance: the role of ISL3 on plasmids

Author: Cesira Giordano, Simona Barnini, Constantinos Tsioutis, Monika A. Chlebowicz, Effie V. Scoulica, Achilleas Gikas, John W. Rossen, Alexander W. Friedrich, Erik Bathoorn

PII: S0924-8579(17)30375-8
DOI: <https://doi.org/doi:10.1016/j.ijantimicag.2017.10.011>
Reference: ANTAGE 5284

To appear in: *International Journal of Antimicrobial Agents*

Received date: 8-5-2017
Accepted date: 21-10-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
