Microbiological risks of reusing dummies for infants in hospital

J. Gray

PII: S0195-6701(18)30171-3

DOI: [10.1016/j.jhin.2018.03.020](https://doi.org/10.1016/j.jhin.2018.03.020)

Reference: YJHIN 5380

To appear in: *Journal of Hospital Infection*

Received Date: 15 March 2018

Accepted Date: 19 March 2018

Please cite this article as: Gray J, Microbiological risks of reusing dummies for infants in hospital, *Journal of Hospital Infection* (2018), doi: 10.1016/j.jhin.2018.03.020.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
