Nudging to Improve Hand Hygiene

M.G. Caris, H.A. Labuschagne, M. Dekker, M.H.H. Kramer, M.A. van Agtmael,  
C.M.J.E. Vandenbroucke-Grauls

PII: S0195-6701(17)30532-7

DOI: [10.1016/j.jhin.2017.09.023](https://doi.org/10.1016/j.jhin.2017.09.023)

Reference: YJHIN 5237

To appear in: *Journal of Hospital Infection*

Received Date: 3 August 2017

Accepted Date: 24 September 2017

Please cite this article as: Caris MG, Labuschagne HA, Dekker M, Kramer MHH, van Agtmael MA, Vandenbroucke-Grauls CMJE, Nudging to Improve Hand Hygiene, *Journal of Hospital Infection* (2017), doi: 10.1016/j.jhin.2017.09.023.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
