

## Accepted Manuscript

Title: Mating behavior of the West Nile virus vector *Culex pipiens* – role of behavioral asymmetries

Author: Giovanni Benelli

PII: S0001-706X(17)31359-1  
DOI: <https://doi.org/10.1016/j.actatropica.2017.12.024>  
Reference: ACTROP 4538

To appear in: *Acta Tropica*

Received date: 13-11-2017  
Revised date: 11-12-2017  
Accepted date: 23-12-2017

Please cite this article as: Benelli, Giovanni, Mating behavior of the West Nile virus vector *Culex pipiens* – role of behavioral asymmetries. *Acta Tropica* <https://doi.org/10.1016/j.actatropica.2017.12.024>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Mating behavior of the West Nile virus vector *Culex pipiens* – role of behavioral asymmetries**
