Oropouche fever, an emergent disease from the Americas

Daniel Romero-Alvarez, Luis E. Escobar

PII: S1286-4579(17)30220-4

DOI: [10.1016/j.micinf.2017.11.013](https://doi.org/10.1016/j.micinf.2017.11.013)

Reference: MICINF 4535

To appear in: *Microbes and Infection*

Received Date: 27 September 2017

Revised Date: 19 November 2017

Accepted Date: 20 November 2017

Please cite this article as: D. Romero-Alvarez, L.E. Escobar, Oropouche fever, an emergent disease from the Americas, *Microbes and Infection* (2018), doi: 10.1016/j.micinf.2017.11.013.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
