### **Accepted Manuscript**

Heightened Cortisol Response to Exercise Challenge in Women with Functional Hypothalamic Amenorrhea

Kristen M. Sanders, M.S., Jennifer F. Kawwas, M.D., Tammy Loucks, Dr.P.H., Sarah L. Berga, M.D.

PII: \$0002-9378(17)32346-3

DOI: 10.1016/j.ajog.2017.11.579

Reference: YMOB 11948

To appear in: American Journal of Obstetrics and Gynecology

Received Date: 26 August 2017
Revised Date: 26 October 2017
Accepted Date: 14 November 2017

Please cite this article as: Sanders KM, Kawwas JF, Loucks T, Berga SL, Heightened Cortisol Response to Exercise Challenge in Women with Functional Hypothalamic Amenorrhea, *American Journal of Obstetrics and Gynecology* (2017), doi: 10.1016/j.ajog.2017.11.579.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Heightened Cortisol Response to Exercise Challenge in Women with Functional

### Hypothalamic Amenorrhea

Kristen M. SANDERS, M.S.<sup>1</sup>, Jennifer F. KAWWAS, M.D.<sup>2</sup>, Tammy LOUCKS, Dr.P.H.<sup>3</sup>, and Sarah L. BERGA, M.D.<sup>4</sup>

Disclosures: KMS, JFK, and TL report no conflicts of interest.

SLB was a paid consultant for What's My Fertility in 2015 and has been an executive committee member of the International Society for Gynecological Endocrinology since 2004-present (gratis). She serves in editorial positions (all gratis) for American Journal of Obstetrics and Gynecology, Advisory Board: 2003-present; Human Reproduction Update, Associate Editor, 2017-present; Journal of Clinical Endocrinology and Metabolism, Editorial Board, 2013-present; Journal of Obstetrics and Gynecology Canada, International Editorial Board 2017–present; Menopause, Editorial Board, 1999-present. She has been a paid peer reviewer for UpToDate since 2005-present. SLB also serves as Site PI for Ferring Pharmaceuticals Inc. Clinical Trial "LutrePulse OmniPod Study 000070: A Multicenter, Double-Blind, Randomized, Placebo-Controlled Study Evaluating Three Doses of Subcutaneous Pulsatile GnRH Administered via OmniPod Pump for Ovulation Induction in Female Subjects with Primary Amenorrhea with Hypogonadotropic Hypogonadism," 2014-present.

This work was supported by grants RO1-MH50748 to SLB and RR-00056 to the General Clinical Research Center at the University of Pittsburgh. The sponsors did not have any role in study design; collection, analysis, and interpretation of data; or in the decision to submit the article for publication.

Clinical Trial Registration Number: NCT01674426, clinicaltrials.gov
