This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Cardiorespiratory responses of pool floor walking

**Title:** Cardiorespiratory responses to pool floor walking in people post-stroke

**Authors:**

Brenda Jeng, MS

Takuto Fujii, BS

Hyosok Lim, MS

Konstantinos Vrongistinos, PhD

Taeyou Jung, PhD

Department of Kinesiology, California State University, Northridge, Northridge, CA,  
USA Department of Kinesiology

**Declaration of interest**

The authors declare that they have no conflicts of interest.

**Acknowledgements**

We would like to thank all participants and staff members at the Center of Achievement who volunteered in this study.

**Funding**

None.

**Conflict of interest**

None.
