England: Jan Oyeboode, Bradford Dementia Group, Faculty of Health Studies, University of Bradford, Bradford, W Yorkshire, BD7 1DP;

France: Bruno Dubois, Thierry Hergueta;

Germany: Markus Böhm, Alexander Komar, Alexander Kurz, Janine Diehl-Schmid, Sabine Jansen, Susanna Saxl, Helga Schneider-Schelte, Katrina Milecka;

The Netherlands: Marjolein de Vugt, Raymond Koopmans;

Portugal: Alexandre de Mendonça, Catarina Ferreira, Maria Graça Melo, Tiago Mendes;

Sweden: Petra Lilja Anderson, Anna-Karin Edberg, Caroline Graff, Emma Lindgren.

## HIGHLIGHTS

- Young onset dementia (YOD) often presents differently from dementia in old age
- Families living with YOD face particular challenges and need specific information
- YOD is relatively uncommon and there is a lack of age-appropriate services
- Information for people with YOD and carers is variable across 6 European countries
- An easily accessible, comprehensive resource is needed to provide information to this group
