The Research Implications of PSA Registry Errors: Data from the Veterans Health Administration

David P. Guo , I-Chun Thomas , Harsha R. Mittakanti , Jeremy B. Shelton , Danil V. Makarov , Ted A. Skolarus , Mathew R. Cooperberg , Geoffrey A. Sonn , Benjamin I. Chung , James D. Brooks , John T. Leppert

PII: S0022-5347(18)42902-3
DOI: [10.1016/j.juro.2018.03.127](https://doi.org/10.1016/j.juro.2018.03.127)
Reference: JURO 15535

To appear in: *The Journal of Urology*
Accepted Date: 24 March 2018

Please cite this article as: Guo DP, Thomas IC, Mittakanti HR, Shelton JB, Makarov DV, Skolarus TA, Cooperberg MR, Sonn GA, Chung BI, Brooks JD, Leppert JT, The Research Implications of PSA Registry Errors: Data from the Veterans Health Administration, *The Journal of Urology*® (2018), doi: 10.1016/j.juro.2018.03.127.

DISCLAIMER: This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our subscribers we are providing this early version of the article. The paper will be copy edited and typeset, and proof will be reviewed before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to The Journal pertain.

Embargo Policy

All article content is under embargo until uncorrected proof of the article becomes available online.

We will provide journalists and editors with full-text copies of the articles in question prior to the embargo date so that stories can be adequately researched and written. The standard embargo time is 12:01 AM ET on that date. Questions regarding embargo should be directed to jumedia@elsevier.com.
