Ensuring our research reflects our values: The role of family planning research in advancing reproductive autonomy

Christine Dehlendorf, Reiley Reed, Edith Fox, Dominika Seidman, Cara Hall, Jody Steinauer

PII: S0010-7824(18)30096-9
DOI: doi:[10.1016/j.contraception.2018.03.015](https://doi.org/10.1016/j.contraception.2018.03.015)
Reference: CON 9074

To appear in:

Received date: 26 September 2017
Revised date: 23 January 2018
Accepted date: 7 March 2018

Please cite this article as: Christine Dehlendorf, Reiley Reed, Edith Fox, Dominika Seidman, Cara Hall, Jody Steinauer , Ensuring our research reflects our values: The role of family planning research in advancing reproductive autonomy. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Con(2018), doi:[10.1016/j.contraception.2018.03.015](https://doi.org/10.1016/j.contraception.2018.03.015)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Ensuring our research reflects our values: The role of family planning research in
advancing reproductive autonomy**
