Acknowledgments: Dr. Foster's 2011-2016 Endowed Chair in Women's Health Research was funded by the Ministry of Health and Long-Term Care in Ontario and we appreciate the general support for her time that made this project possible. We are also grateful to the Society of Family Planning for a mentorship grant that supported this work. The conclusions and opinions expressed in this article are those of the authors and do not necessarily represent the views of the organizations with which the authors are affiliated or the funders.

Conflicts of interest: The authors declare that they have no conflicts of interest, financial or otherwise.
